

Payment for Sewage Use Will be Reduced

As a measure against Covid-19, Joyo City will reduce fees for sewage during the 4th term of this year. 2,640 yen including tax will be deducted from your bill. You need not apply for this service.

Eligibility

Persons who have a contract with the Department of Waterworks and Sewage

Duration

4th term in 2020

- Areas with meter reading during even months (reading in October and payment in November): Your November bill will be reduced.
- Areas with meter reading during odd months (reading in November and payment in December): Your bill in December will be reduced.

* Persons already paying a reduced base rate, your fee will be reduced by 1,760 yen (including tax).

* Bills for usage over 21 cubic meters will be charged as usual.

Persons who reside in housing complex

If you don't have direct contract with the department, please check with your management company.

Remarks

In cases where service use is less than thirty days due to moving, etc., your bill will be exempted 1,320 yen for half of the term.

This notice was issued by Joyo City on September 23, 2020.
